

Dear Car Driver and Buyer

(You may not want to read any further as you may think we are trying to sell you something. We would like to sell you something but only if you want it and you feel we are more competitive than anyone else you would visit to buy a car.) - *Optional*

As you well know a car is an important purchase, it costs a lot of money and you may well have to borrow money to make the purchase. It involves visiting a lot of dealers, talking the talk and making lots of phone calls. Wouldn't it be nice if someone did all the hard work for you?

All you have to do is tell us the types of cars you are interested in, what specifications you want, and how much you want to pay and we will do the running around for you. We believe in good customer service and doing what we say we are going to do. If we say that we will ring you tomorrow morning then we will.

We can find you the car you want or advise you if you are not sure what you want. We can provide finance options to help you purchase the car. We will take your old car in part exchange.

We have many satisfied customers, some of which have been dealing with us for 10 or more years. We can guarantee you value for money and a helpful, friendly service.

When you next need to change your car, give us a ring on 0116 2599548 or visit our website at www.mwvc.co.uk where you can request a quote online or look at a selection of cars for sale.

We are situated just off the A47 after Billesdon, 3 miles out of Leicester, we are there Monday to Friday, 8.30am – 6pm and on request at weekends.

Give us a call or pop in, we have some cars on the premises to look at or we can get you any new or second hand car at your request.

Thank you for taking the time to read our letter and we look forward to meeting you and helping you find a car.

Yours

MARK WILLIAMS
